A cruise on the Skipjack DEE was a popular annual Fall event for the Snow Searchers Ski Club (SSSC) for many years. After being out of commission for several years, the boat has undergone extensive renovations. It now belongs to the Calvert Marine Museum. Visit <http://www.calvertmarinemuseum.com/195/Dee-of-St-Marys> for more on the history of the Dee of St. Mary's and its original Captain, Jack Russell.
