### **TRAVEL INSURANCE PLEASE READ!**

Every year, someone has to cancel their trip for one reason or another. Unfortunately, it is not always possible to find a suitable replacement at the last minute, and the Club is not always in a position to refund all the money. Occasionally, someone is injured or becomes sick during the trip and incurs significant medical expenses. The travel insurance can offset these risks at a cost of between 5 percent and 15 percent of the total cost of your trip. Many products “waive” preexisting conditions and offer additional “Cancel for Any Reason” coverage, if you purchase coverage within 21 days of your deposit. The trip leader or the club will not purchase nor collect money for your trip insurance; but each traveler may purchase coverage individually if they so choose. Here are few of the options:

- Our tour operator for this trip can facilitate optional travel insurance from Allianz Travel Insurance. That travel insurance information will be forwarded to participants to consider.
- Our tour operators have often recommended the company Travel Guard for trip insurance. You may learn more or purchase the policies at <http://travelguard.com>, or you may call them directly at 877-249-5376.
- Alternatively, aggregate sites such as SquareMouth (<http://squaremouth.com>) or Insure My Trip (<http://www.insuremytrip.com/>) allow one to compare hundreds of plans from the top providers and buy immediately. You may find options or prices better suited to your needs.
- Finally, many credit cards, and organization like AAA and AARP have their own trip insurance offerings for the members.
